NARBOROUGH ROAD SOUTH SUBWAY CONSULTATION

Over the last two months Crime Prevention Officer Anna Gomes-Alves has been consulting local people on how the subways on Narborough Road South could be improved.

The consultation period for this has now been extended to the 31st December 2015. In order to reach as many local people as possible we are currently devising an online consultation via Facebook and we want to hear from you!

We value your opinions and suggestions on this issue and would encourage you to have your say. Any feedback will help to inform our decision-making on future improvements to the Subways and surrounding areas.

Visit the Braunstone Town Council Facebook page and join in with the conversation! Alternatively you can still access the online survey via our website; www.braunstonetowncouncil.org.uk

ROAD SAFETY & SPEEDING INITIATIVES

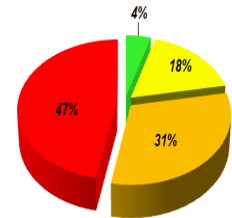

Following unacceptable speeding problems on Withers Way, Leicestershire Police in partnership with Braunstone Town Council are planning a series of campaigns to reduce the number of speeding vehicles on our roads.

This includes working with local volunteers to carry out speed checks on vehicles which may lead to prosecution and running a new campaign entitled 'FATAL 4'.

Statistics show the four key behaviours that cause fatal road accidents include; driving whilst using a mobile, drink driving, speeding and not wearing a seatbelt. More information about the campaign can be found on www.leicestershirepolice.org.uk
