

BRAUNSTONE TOWN COUNCIL

Cllr Nick Brown
Town Council Leader

Despite the uncertainty faced by many Councils, the Town Council continues to work hard to improve the services it provides to people living and working in the area while ensuring that we invest in our infrastructure for future generations. In 2016 we invested in improvements to Franklin Park Play Area and refurbishments at both Community Centres. The Town Council and its partners, including the sports clubs, are making good progress finalising plans for a major investment and refurbishment of the facilities at Shakespeare Park. Such projects have a large capital outlay, however, it provides for a further 40 year lifespan. The forthcoming year presents further challenges and uncertainty, with this in mind the Town Council approved its Capital Plan and budget for 2017/2018 at its January meeting. The Capital Plan highlights areas where we need to invest for the future in our parks and community facilities and the budget provides for this investment along with funds to protect and enhance valued local services. We recognise the importance of delivering services more effectively while saving money and to this extent we continue to invest in efficiency measures, for example, investing in more durable and longer lasting safety surfaces in our playgrounds, saving on annual maintenance costs. This approach is in accordance with our financial strategy, which has been unanimously supported by successive Councils. More details about our future plans and priorities is available on our website and from the Town Council Offices (*details at the foot of this page*).

LOCAL GROUPS INVITED TO RAISE FUNDS THROUGH EVENTS

Does your community group want to raise funds? Would you like to get involved in an event but need support?

Braunstone Town Council promotes the arts and Community Events by working in partnership with local groups and good causes. A number of events are held in the Autumn to Spring of each year. The Town Council underwrites the cost of each event and passes on the net proceeds to the local group or good cause. The Town Council produces a 'What's On' guide, maintains a mailing list, produces tickets and publicity material and helps to organise the events. The sponsored groups are asked to help run the event and assist with ticket sales. Groups can organise a fundraising raffle and/or provide refreshments at the interval. By involving the local community groups, a programme of well-supported events has been established. If you would like your group or organisation to be considered for inclusion in the next Programme of Events please contact Mrs Pauline Snow on 0116 2899270 or pauline.snow@braunstonetowncouncil.org.uk
