BRAUNSTONE TOWN COUNCIL

PITCHES POLICY AND PROCEDURE

1. CONTEXT

The Council's Mission Statement sets out its vision to provide high quality services and support the needs of the community, while recognising that this is only sustained by ensuring that the resources to do it are available.

Mission Statement - *We exist to ensure that local services and the environment reach the highest possible standards within the resources available for citizens, visitors and those who work in Braunstone Town; to provide a focus for civic pride; to listen, identify and respond to agreed local needs; and to help develop a strong, secure, self-reliant, self-confident community, free from unlawful discrimination. "Spectemur. Agendo" translates "Let us be Judged by Our Actions"*

On 8th September 2011, the Council approved objectives for each of its service areas as part of the delegation arrangements to Committees and the Executive Officer and Town Clerk. There are four objectives in relation to Open Spaces and Parks.

Open Spaces & Parks Objectives

- To provide and maintain parks and open spaces to a high standard
- To provide quality sports facilities to meet identified needs
- To provide and maintain play equipment to a high and safe standard
- To help fight pollution by planting trees on our parks

In providing pitches, the Council does so as part of its mission to the community and in fulfilling the wider Open Spaces and Parks Objectives in the Town.

2. PURPOSE

The Pitches Policy sets out the relationship between Pitch provision and the provision of Open Spaces and Parks in the Town. Its purpose is to ensure the provision of quality sports facilities to meet identified needs within the context of providing and maintaining parks and open spaces to a high standard. To that extent Braunstone Town Council provides pitches as part of providing sporting facilities within public parks and open spaces that are open to all in the Town to use and enjoy. The Policy provides the framework for identifying sporting needs, which in turn identifies the level and type of provision, balanced with the multiple uses of our Open Spaces and Parks, which includes play facilities.

The Pitches Procedure sets out how the Council will determine provision and the basis upon which pitch allocations will be made. It identifies the responsibilities of the Town Council, the sporting teams using the pitches and the facilities, how they work together and also how they work with the wider community for the mutual benefit of the Town. The procedure also provides a framework for ensuring fairness and transparency and resolving any disputes which may arise.

3. ROLES AND RESPONSIBILITIES

Town Council

Responsible owner of the Town's open spaces and parks, including pitches and sporting facilities, responsible for the overall provision and funding and ensuring that the Council's Objectives are met, which includes:

- a) setting strategic policy and objectives;
- b) setting the maintenance budget;
- c) approving a capital plan for investment in the improvement and development of the facilities, including identifying funding; and
- d) providing appropriate staffing resources to ensure high standards and safety requirements are met.

Town Councillors

Town Councillors collectively form the Town Council and collectively make decisions which the Town Council is responsible for. Collectively they form the corporate body of the Town Council, which has its own legal and continuing identity. As individual Councillors they have no decision making power, however, they provide an important link between the Town Council's decision making processes and the community and individuals of the Town. Town Councillors represent all who live in their ward, whether they voted for them or not.

Committee (Policy and Resources)

Responsible for determining the provision of individual facilities and services and the overall maintenance plan of open spaces and parks, including pitches and sporting facilities. In relation to pitches and sporting facilities, this includes:

- a) determining the types and levels of pitch provision, including capacity;
- b) setting the season fees and hire fees;
- c) setting the criteria for considering requests for a pitch allocation;
- d) setting the terms and conditions of pitch allocations and hires, including the terms and conditions of using the associated facilities; and
- e) allocating pitches where requests for an allocation exceed capacity.

The Proper Officer (Executive Officer and Town Clerk)

Action, undertake activity and responsibilities instructed by decision of the Council or Committee (as appropriate) or contained in standing orders, delegated powers or approved policies and procedures. In relation to pitches and sporting facilities, this includes:

- c) initiating spot checks to be undertaken to ensure users and hires are complying with the terms and conditions;
- d) allocating and reallocating pitches where requests for an allocation/reallocation can be met within capacity; and
- e) providing legal, financial and policy advice to the Council and Committee on types and levels of pitch provision (including capacity), fees and hire charges, the criteria used for determining allocation and the terms and conditions to be set.

Sports Clubs

To treat the Town's Parks and Open Spaces, including its pitches and associated facilities, and all other sports clubs and users of the open spaces and parks with courtesy and respect, this includes:

- a) no use of violence, intimidation or abusive behaviour under any circumstances;
- b) using the set procedures and channels to resolve issues of contention, dispute or grievance;
- c) respecting and cooperating with Town Council officials, sports association and league officials, including match officials;
- d) ensuring adherence to legislation, including child protection, equalities and health and safety;
- e) complying with all terms and conditions of the pitch allocation and terms and conditions of hire;
- f) ensuring that payment of the fees is made by the due date;
- g) recognising that the open spaces and parks, including the pitches and associated facilities are multi-use community shared facilities, to which all users have a responsibility to respect in accordance with the Town Council's policies and objectives.

Club Officials (e.g. Secretary)

Club officials are responsible for ensuring that their clubs, members, families and friends, fans, including those of opposing teams adhere to the principles of courtesy and respect set out above. Club Officials are responsible for establishing an effective relationship with Town Council officials, sports association and league officials, including match officials. Club Officials are also responsible for ensuring courtesy and respect in relation to their pitch allocations/hires by:

- a) reporting inappropriate behaviour from opposing teams and those associated with the team to sports association, league and match officials as appropriate;
- b) dealing with inappropriate behaviour within the club and those associated with the club by using the club's disciplinary proceedings;
- c) reporting to the Executive Officer and Town Clerk any breaches of Terms and Conditions by their Club and any likely delay in payment, along with proposals to rectify the breach and actions to avoid future re-occurrence;
- d) reporting to the Executive Officer and Town Clerk any breaches of Terms and Conditions by other Clubs.

4. RELATIONSHIPS

In accordance with the Equality Act 2010 no one will discriminate, harass, victimise or treat less favourably another person or group because of:

- age
- disability
- gender reassignment
- marriage and civil partnership
- pregnancy and maternity
- race
- religion and belief
- sex
- sexual orientation

Under the Act, Braunstone Town Council has a duty to have due regard to:

- eliminating unlawful discrimination, harassment and victimisation;

- advancing equality of opportunity, and
- fostering good relations between different groups.

To that extent, Braunstone Town Council supports the national taskforce campaign Kick it Out, which works to tackle racism and discrimination in football. In accordance with this stance we may ultimately consider withdrawing the use of our pitches and facilities from clubs, teams or individuals found in breach of these obligations, particularly where no proactive action has been taken concerning incidents of discrimination and where no steps are in place to prevent further discrimination in the future.

Under no circumstances will there be any violence, intimidation or abusive behaviour. Clubs and teams must respect and cooperate with Town Council officials, sports association and league officials, including match officials. Clubs and teams must also cooperate with and respect each other. Individuals, Teams and Clubs are urged to resolve any issues of dispute with those concerned in an informal and constructive manner. Should the issue not be resolved or continue then there are set procedures and channels, which must be used for resolving issues of contention, dispute or grievance.

Failure to comply with the above may ultimately result in us withdrawing the use of our pitches and facilities from clubs, teams or individuals found to be in breach of these obligations, particularly where no proactive action has been taken concerning incidents and where no steps are in place to prevent further reoccurrence.

The Executive Officer and Town Clerk may initiate spot checks to be undertaken to ensure users and hires are complying with the provisions of this policy and the terms and conditions of their pitch allocation or ad-hoc hire.

5. PITCH ALLOCATIONS PROCESS

Pitches will be allocated for a season on an annual basis and the annual process will be as follows:

1. **Setting of Fees** – will be determined by Policy and Resources Committee no later than February;

8. **Sports Teams Meeting** – after the allocations process and prior to the new season commencing, there will be a meeting of the club officials representing the Sports Teams who have been granted an allocation; this meeting will:
 - a) discuss how the clubs and teams will work together to share pitches and facilities, where applicable;
 - b) consider general issues which have arisen during the previous season or any other current general issues (the meeting is not convened to discuss individual relationship issues);
 - c) ensure that information is shared concerning preparations for the new season; including dates when the pitches will be ready and marked out; and
 - d) any ideas for improvements to the pitches, facilities and services.
9. **Preparation of Pitches** – after the end of the season there will be a period in which the pitches will not be in use and no ad-hoc hires will be permitted; during this period general maintenance and preparation will take place, including marking out of pitches where appropriate.

Teams allocated a sports pitch do not own the pitch, the Council reserves the right to allow other teams to hold pitch allocations on the same pitch and to allow ad-hoc hiring of pitches.

6. AD-HOC PITCH HIRES

The Council reserves the right to allow ad-hoc hiring of pitches where it has taken a decision to do so. Ad-hoc hires will only be allowed in circumstances where the condition of the pitch allows and is not to the detriment of those who hold a pitch allocation. The Council reserves the right to postpone or discontinue ad-hoc pitch hires if the condition of pitches deteriorate. In the event of a decision to postpone ad-hoc hires due to a deterioration of the pitch and a booking has been made and payment received, the Town Council will work closely with those affected to make alternative arrangements and should this not be possible, to accommodate those affected at other times or refund the payment. Conditions of use of pitches on an ad-hoc basis will be the same, unless otherwise specified, as those for pitch allocations.

7. MAINTENANCE AND UPKEEP

Braunstone Town Council will maintain its open spaces and parks, including pitches and sporting facilities, to a high and safe standard, therefore, the Town Council will:

1. **Set a Maintenance Budget** – Policy and Resources Committee will make recommendations to Council for approval in January;
2. **Maintain a Capital Programme** – the programme will include a list of investment and development work, to ensure continued high standards for future generations;
3. **Works Programme** – an annual maintenance programme is developed for works to be carried out on the Council's Parks, Open Spaces and Sporting Facilities; each year Policy and Resources approves a Winter Works Programme which includes most of the annual maintenance works, taking place outside of the cutting season; however, it is recognised that annual maintenance works on pitches and sporting facilities will mostly take place out of season.

Braunstone Town Council may at any time close pitches and facilities in order to undertake emergency works. The Council also may determine that pitches should be closed for a period of time if there is a significant deterioration in the playing service which may compromise the long term standard of the pitch. In such circumstances, the Town Council will work closely with those affected to make alternative arrangements and should this not be possible, to accommodate those affected at other times or refund pro-rata of fees and charges.

The Town Council will prepare football pitches prior to the season, which includes marking out. Terms and Conditions relating to individual sports will be issued as part of the allocation of pitches and these will set out clearly the responsibilities of the Town Council and the sports clubs and teams concerning maintenance and upkeep.

8. SPORTING FACILITIES

The Council's pitches have associated sporting facilities. Pitches on Mossdale Meadows, Shakespeare Park and Thorpe Astley Park have changing facilities; Mossdale Meadows has equipment storage facilities; Shakespeare Park Bowling Green has an associated Pavilion. Policy and Resources Committee will determine when setting fees and terms and conditions and the criteria, the relationship between a

pitch allocation and use of the facilities and whether any additional charges or terms and conditions should be applied.

9. RESOLVING DISPUTES

All parties should work hard to ensure that issues of contention, dispute or grievance are avoided. Where issues arise, the Town Council, individuals, clubs and teams should seek to resolve these informally through constructive discussion and dialogue.

Where attempts have been made by individuals, clubs and teams to resolve issues of contention, dispute or grievance informally and this has not been successful, or the problem reoccurs, then resolution can be sought through the formal procedure set out at paragraph 10 below.

Where the Town Council wishes to take action against a club or team because it has contravened this policy and/or breached the terms and conditions of the pitch allocation or ad-hoc hire, then it will apply the procedure set out at paragraph 11 below.

10. FORMAL PROCEDURE FOR CLUBS AND TEAMS TO RESOLVE DISPUTES

The following procedure applies to teams and clubs where there are issues of contention, dispute or grievance, which cannot be resolved informally. Failure to comply with the terms of resolution will constitute a breach of the terms and conditions of pitch allocation or ad-hoc hire and can be dealt with by the Town Council under paragraph 11.
- e) An Appeal can be launched by an affected party against the terms of resolution. A club/team wishing to appeal should inform the Executive Officer & Town Clerk in writing within five working days of their wish to appeal. An Appeals Committee made up from three Members of the Council will hear appeals against the terms of resolution. The appellant and the Executive Officer & Town Clerk will put their respective case and the Appeal Committee will determine whether to nullify, make amendments, or set different terms of resolution. The decision of the Appeals Committee is final.

11. FORMAL PROCEDURE FOR DEALING WITH BREACHES TO THE POLICY AND THE TERMS AND CONDITIONS

The following procedure applies to Town Council when it becomes aware of a breach by a club, team or individual associated with a club/team of this policy and/or the terms and conditions of allocation and ad-hoc hire and the terms of resolution set out in paragraph 9.

The procedure is as follows:

- a) The Executive Officer & Town Clerk must set out in writing to the Club Official the nature of the allegation and invite the Club Official to attend a meeting to discuss the issue. An Appeals Committee made up from three Members of the Council will hear appeals against the terms of resolution. The appellant and the Executive Officer & Town Clerk will put their respective case and the Appeal Committee will determine whether to nullify, make amendments, or set different terms of resolution. The decision of the Appeals Committee is final.

No alterations or additions will be made to the town Council's premises without the consent of the Council. Defects noticed by staff or visitors must be reported in writing to the Executive Officer & Town Clerk as soon as possible.

To reduce the risk of accidents, organisers are asked to respond quickly to spillages etc. Floors should not be too highly polished.

h) Health & Safety Policy Statement

A copy of the Council's Health & Safety Policy Statement may be inspected at the Executive Officer & Town Clerk's office. Should you require any further information please do not hesitate to contact me.

i) Use of Contractors

Please let me know the name and address of the person appointed by the Club with overall responsibility for supervising the grass cutting and green maintenance contract. The Contractor employed by the Club should be supplied with a copy of the Council's Health & Safety Policy Statement. The following controls must be implemented:-

- All Contractors asked for Health and Safety Policy
- Contractors asked to produce risk assessments for the associated work activities
- Contractor to have public liability insurance cover of at least £2million
- Work of all Contractors is monitored
- Records of monitoring activities are kept

The Council reserves the right to monitor the Contractor's performance in order to check on compliance with the agreed safety arrangements. If Contractors are acting in a way which is deemed to be unsafe then the work will be stopped. As the principal to the contract, the Council has not only the power to do this but the responsibility to ensure the safety of employees, visitors and the Contractors themselves.

Copies of the Council's Risk Assessments (which include 'mowing', 'manual handling' and 'lone working', etc) available for inspection in the Executive Officer & Town Clerk's office, may be of assistance to the person appointed by the Club to supervise the Contract.

(11) Child Protection Policies

Braunstone Town Council requires that your Club acknowledges its responsibility to safeguard the welfare of every child and young person who has been entrusted to its care and is committed to working to provide a safe environment for all members. A child or young person is anyone under the age of 18 engaged in any club football activity. You must subscribe to The Football Association's child protection and best practice policy and procedures and endorse and adopt the policy statement contained in that document.

Further advice on child protection matters can be obtained from your local association and national governing body. Alternatively the NSPCC Child Protection 24 Hour Helpline can be contacted on 0808 800 5000.

A copy of the Town Council's Safeguarding Children and Child Protection Policy is issued to all teams using the Council's facilities.
