BRAUNSTONE TOWN COUNCIL

MINUTES OF CORPORATE GOVERNANCE SUB-COMMITTEE

HELD AT BRAUNSTONE CIVIC CENTRE

THURSDAY 15th JUNE 2023 AT 7.00PM

PRESENT: Councillor Nick Brown (Chair), Councillor Anthea Ambrose (Vice-Chair) and Councillors Andy Evans and Imran Uddin.

Officers in Attendance: Darren Tilley, Chief Executive & Town Clerk.

There were no members of the public present at the meeting.

1. Apologies

No apologies for absence were received.

2. Disclosures of Interest

There were no disclosures of any Disclosable Pecuniary or Non-Pecuniary Interests by Members.

3. Public Participation

In accordance with Standing Order 3.6, members of the public may attend the meeting for the purpose of submitting a petition and/or making representations, giving evidence or answering questions in respect of any item of business included on the agenda.

There were no members of the public at the meeting.

4. Minutes of the Meeting held 16th June 2022

The Minutes of the Meeting held on 16th June 2022 were circulated (item 4 on the agenda).

RESOLVED that the Minutes of the meeting held on 16th June 2022 be approved and signed by the Chairperson as a correct record.

5. External Audit 2021/2022

The Sub-Committee noted that the External Audit was completed on 26th September 2022 and no matters were raised concerning the Town Council's accounts and governance arrangements for the year ended 31st March 2022 (item 5 on the agenda).

RESOLVED that the report be noted.

Reason for Decision

Based on the Council's accounts and governance arrangements for the year ending 31st March 2022, the External Auditor's opinion was that the Council had complied with proper practices and relevant legislation and regulatory requirements had been met.

6. Internal Audit Report 2022/2023 and Internal Audit arrangements 2023/2024

The Sub-Committee received the Internal Auditor's Report in respect of compliance with relevant procedures and controls in operation during the financial year ended 31st March 2023 and to appoint an Internal Auditor for 2023/2024 (item 6 on the agenda).

The following points were discussed:

- a) Land Valuation – rather than arrange for land to be valued; it would be more appropriate to seek advice on how land could be revalued as a desktop exercise; given the Council's land was either public open space or a community facility; and
- b) Reserves – consideration should be given to placing a note in the accounts identifying which earmarked reserves were committed.

RESOLVED THAT IT BE RECOMMENDED TO POLICY & RESOURCES COMMITTEE THAT IT BE RECOMMENDED TO COUNCIL

1. that the observations of the Internal Audit (attached at Appendix 1 of the report) and confirmation of compliance with the internal control objectives (attached at Appendix 2 of the report) be received and noted;
2. that the recommendations for improvement, along with the proposed response, as set out in the Internal Audit Improvement Action Plan (attached at Appendix 3 of the report), be adopted; subject to:
 - a) response no. 2 to the observation on "Land and buildings with a commercial value" being amended to read "review the process for land valuation", and
 - b) the response to the observation on "Guidance regarding the general reserve" include placing a note in the accounts identifying which earmarked reserves were committed; and
3. that the Leicestershire and Rutland Association of Local Councils Internal Audit Service be appointed to undertake the Town Council's Internal Audit for the Year Ending 31st March 2024.

Reasons for Decision

1. *The Internal Auditor, having tested all the aspects of the Council's internal controls, was satisfied that in all significant respects the internal control objectives were achieved throughout the financial year to a standard adequate to meet the Council's needs.*
2. *To ensure that the observations of the Internal Audit would be addressed with appropriate and balanced measures.*
3. *To ensure arrangements were in place for compliance with Accounts and*

7. Annual Governance Statement 2022/2023

The Sub-Committee received a report to enable it to review and ensure sound systems of internal control, including the management of risk and the preparation of accounting statements during the financial year ended 31st March 2023 and to recommend to Council adoption of the Annual Governance Statement 2022/2023 (item 7 on the agenda).

RESOLVED THAT IT BE RECOMMENDED TO POLICY & RESOURCES COMMITTEE THAT IT BE RECOMMENDED TO COUNCIL that the systems of internal control and management of risk, as set out in the report and in the updated Corporate Risk Register at Appendix 1, be approved and confirmed as sound; and that Section 1, Annual Governance Statement 2022/23, of the Annual Governance and Accountability Return 2022/2023, attached at Appendix 2 of the report, be completed, signed and submitted accordingly.

Reason for Decision

Having reviewed the control measures for each of the areas listed on the Annual Governance Statement and also the assessment of risks facing the Council and associated mitigating measures, the Corporate Governance Sub-Committee were confident that to the best of their knowledge and belief, with respect to the Accounting Statements for the year ended 31st March 2023, there were sound systems of internal control and management of risk.

8. Accounting Statements 2022/2023

The Sub-Committee received the End of Year Accounts for the financial year ended 31st March 2023 in order to recommend to Council adoption of the Accounting Statements 2022/2023 (item 8 on the agenda).

RESOLVED THAT IT BE RECOMMENDED TO POLICY & RESOURCES COMMITTEE THAT IT BE RECOMMENDED TO COUNCIL that Section 2, Accounting Statements 2022/23, of the Annual Governance and Accountability Return for the year ended 31st March 2023, attached at Appendix 9 of the report, be completed, signed and submitted accordingly.

Reason for Decision

The Corporate Governance Sub-Committee, having carried out an assessment of the effectiveness of the Council's financial arrangements, concluded that there were sound systems of internal control. The Internal Auditor, having reviewed the annual accounts, found the Accounting Statements to have been prepared on the correct basis and were supported by adequate audit trails to underlying records.

9. Automatic Payments (Direct Debit, Standing Order and BACS)

The Sub-Committee received details of current direct debit, standing order and BACS payments for review and endorsement in accordance with Financial Regulations 6.6 to 6.8 (item 9 on the agenda).

RESOLVED

1. that the list of suppliers paid by variable direct debit, attached at Appendix 1 of the report, be renewed;
2. that the supplier paid by use of a banker's standing order, as detailed in the table under Standing Order Payments in the report, be renewed; and
3. that the list of suppliers paid by BACS/CHAPS, attached at Appendix 2 of the report, be renewed.

Reasons for Decision

1. *To ensure that authorisations for variable direct debit payments were reviewed.*
2. *To ensure that authorisations for standing order payments were reviewed.*
3. *To ensure that authorisations for BACS/CHAPS payments were reviewed.*

The meeting closed at 7.25pm.

NOTE:

CRIME & DISORDER ACT 1998 (SECTION 17) – The Council has an obligation to consider Crime & Disorder implications of all its activities and to do all that it can to prevent Crime and Disorder in its area.

EQUALITIES ACT 2010

Braunstone Town Council has a duty in carrying out its functions to have due regard to:-

- eliminate unlawful discrimination, harassment and victimisation;

- foster good relations between different groups

To ensure that no person receives less favourable treatment on the basis of race, disability, sex, gender re-assignment, sexual orientation, age, religion or belief, marriage or civil partnership, pregnancy or maternity.

These issues were considered in connection with each of the above decisions. Unless otherwise stated under each item of this report, there were no implications.

These minutes are a draft and are subject to consideration for approval at the next meeting June 2024.

Dear Mr Tilley

Annual Governance and Accountability Return for the Year ended 31 March 2023

Please find enclosed the signed External Audit Report to accompany your Annual Governance and Accountability Return for the year ended 31 March 2023.

We also enclose a note of our charges based on the fixed rate audit fee as set by the Smaller Authorities' Audit Appointments Ltd.

Authorities who have not claimed exemption

Regulation 13 of the Accounts and Audit Regulations 2015 stipulate that Authorities, who are not inactive Authorities, must publish the following (including on the Authority's website):

- (a) The Statement of Accounts and Annual Governance Statement
- (b) The auditor's certificate and opinion
- (c) Any public interest report or other recommendation of the auditor.
- (d) A form of Notice of Conclusion of Annual Audit

We draw your attention to the following points. Reserves are considered to be low and could pose a risk to the Town Council's ability to function in the future. The Council has provided explanations for this and assurances that it is considered in their budgetary procedure, and we have reviewed your Medium Term Priorities and Financial Planning document. The 2023 budget was for a small surplus but returned a more significant deficit which raises concerns in respect of the veracity of the budgeted future years figures which each provide for a small surplus. We would anticipate that following this outturn the Council will be reviewing its financial position and its future budgets.

A Notice of Conclusion of Audit form is available, if required, on our website using the link here <http://bit.ly/SmallerAuthorities> .

The notice must also state that an elector may inspect those documents at all reasonable times and without payment. The address and times when this inspection may be carried out must also be given.

Yours sincerely

Moore

Section 3 - External Auditor Report and Certificate 2022/23

In respect of **Braunstone Town Council**

1 Respective responsibilities of the body and the auditor

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it does not provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>.

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2023; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors

2 External auditor report 2022/23

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with the Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

Other matters not affecting our opinion which we draw to the attention of the authority:

There is a trivial rounding error in this year's column when summed. When rounding the numbers for the Return care should be taken to ensure the Return sums correctly.

3 External auditor certificate 2022/23

We certify/ ~~do not certify~~* that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2023.

*We do not certify completion because:

CORPORATE GOVERNANCE SUB-COMMITTEE – 13th JUNE 2024 **POLICY & RESOURCES COMMITTEE – 13th JUNE 2024**

Item 6 – Managing Cash and Reserves

Purpose

To set out the context of the current cash flow position and the approved actions to ensure the Council has sufficient cash and reserves to function.

Background

Policy & Resources Committee on 11th January 2024 received a summary of the Council's Cash, Reserves and Financial Comparisons for the period 1st April to 31st December 2023; and considered actions to ensure the Council had sufficient cash and reserves to function (minute 69).

Council on 25th January 2024 received a summary of the Council's Cash and Reserves for the period 1st April to 31st December 2023; noted actions taken by the Policy & Resources Committee and Responsible Financial Officer to ensure that the Council had sufficient cash and reserves to function; and resolved to seek approval from the Secretary of State for Levelling Up, Housing and Communities to apply for short-term borrowing of up to £50,000 for the purpose of meeting expenses at the end of the financial year (2023/2024) pending the receipt of revenues in the next financial year (2024/2025) (Council Minute 6187).

Cash Flow

Closing operating cash balances on 31st March stood at £22,325.99; made up of:

- Operating Account: £20,099.73;
- Payroll Account: £2,225.48;
- Instant Access Savings: £0.78.

In addition, the Council has Building Society Savings of £5,269.14 (a minimum of £5,000 is required to be held to maintain the account).

There was £302.50 held in cash office floats and petty cash.

Total Cash Balance on 31st March 2024 was £27,897.63.

Since the Council had access to £22,325.99 at the bank on 31st March, there was no need to borrow prior to the end of the financial year. The Council received approval to borrow from the Department of Levelling Up, Housing and Communities on 28th March.

The Council was able to meet all its commitments up to the end of the financial year

due to minimising expenditure and maximising income since and also with Blaby District Council advancing the balance of the Thorpe Astley Commuted Sums.

As set out in the report to Council on 21st March, the Town Council did not have sufficient cash to meet its commitments prior to receipt of the first tranche of the precept on 26th April.

Therefore, taking into account cash at the bank, projected income and expenditure and allowing for a contingency, the Responsible Financial Officer applied to Blaby District Council to borrow £60,000 to meet commitments (including salaries) during April (Minute 91). Interest was charged on this loan at 5.26%; which for the period 9th to 25th April was £146.99. The capital plus the interest was deducted by Blaby District Council from the first precept payment of £490,942 on 26th April 2024. The Council had £15,311 in the operating account at the close of business on 25th April 2024.

No borrowing approval was needed from the Secretary of State for sums borrowed and repaid in the same financial year.

Implemented Measures

The following measures have been implemented to avoid future reoccurrences of cash at the bank becoming critically low:

1. Reserves Policy amended (March 2024) and Financial Regulations revised (May 2024) to set out that the Council will maintain a revenue reserve of at least one-quarter of net expenditure; where revenue reserves fall below this level proposals will be submitted to replenish them.
2. Separating capital and operational income and expenditure budgets.
3. Setting aside sufficient funds (into a savings account) to meet the payroll costs prior to receipt of the next tranche of the precept.
4. Public engagement concerning the financial position, proposals for one-off savings in 2024/2025 and ongoing savings.
5. Approved £30,000 of one-off savings in 2024/2025; the aim being to provide a contingency fund given how low balances are. Delivering these items are delayed to the following financial year (2025/2026), although the money is in the base budget.
6. Adjusted monthly pay date from 24th of the month to 28th month (except December) to ensure that salary payments in April and September each year can be met using the same year precept.
7. Budget Comparisons Report to be the first substantive item on each Policy & Resources Committee agenda.

Overdraft Facility

In March 2024, when projecting cash flows forward, using the same income and expenditure predictions; a closing operating cash balance on 31st March 2025 of £28,529 was predicted (plus building society savings of £5,269.14 plus a small amount of interest). This resulted in an operating cash deficit on 25th April 2025 of -£40,953.

In order to prepare for and take action to avoid a cash deficit in April 2025, Policy & Resources Committee on 7th March approved arrangements for a 12 month overdraft facility to account for unforeseen circumstances during the coming financial year and this time next year. To ensure this is in place for April/May 2025; an application for a £10,000 overdraft facility was prepared and submitted at the beginning of May. The request took into account that the monthly pay date had been moved and therefore, the potential deficit would more likely be around £10,000. However, the Co-operative Bank declined the request due to the Council's Credit Score. No further information was given, other than the Council could request the information from the credit agency and if it felt it was incorrect, could correct it.

Given the record of the Council in curbing expenditure and maximising income over the first four months of 2024, the Cash Flow forecast has been revised and updated at Appendix 1. Taking into account the savings identified and maintaining income, a closing balance of £39,609 is predicted on 31st March 2025 and £20,937 on 24th April 2025 (the day prior to receipt of the 1st tranche of the 2025/2026 precept). This includes £63,269 held in the 90 day savings account.

The figures above do not take into account the potential for the salary settlement to be higher than the budgeted amount. Therefore, cash flow forecasts will need to be revisited once the pay award for 2024 has been approved by the National Joint Council.

Therefore, it is recommended that no further action is taken on requesting an overdraft facility and that projected cash flows are updated at the end of September and end of December 2024 and mitigating actions identified if necessary.

Recommendations

(THAT IT BE RECOMMENDED TO POLICY & RESOURCES COMMITTEE)

1. that the position with *Cash Flow*, as detailed in the relevant section of the report and in the cash flow forecast at Appendix 1, be noted;
2. that the *Implemented Measures* be confirmed as sufficient to avoid future reoccurrences of cash at the bank becoming critically low;
3. that no further action be taken concerning an overdraft facility at the bank; and
4. that Policy & Resources Committee consider updated and revised Cash Flow forecasts following the end of the quarter period on 30th September and 31st December 2024.

Reasons

1. The position in respect of the Council's cash reserves and overspends during 2023/2024, were all matters that the Council had addressed.
2. The Council had implemented mitigating measures for ensuring it had cash reserves during 2024/2025 and beyond.
3. Cash Flow forecasts were no longer showing a predicted deficit in April 2025.
4. To review the cash flow position to ensure that short and long term proposals would resolve the issue and avoid a repeat occurrence.

BRAUNSTONE TOWN COUNCIL

CORPORATE GOVERNANCE SUB-COMMITTEE – 13th JUNE 2024 **POLICY & RESOURCES COMMITTEE – 13th JUNE 2024**

Item 7 - Internal Audit Report 2023/2024 and Internal Audit arrangements 2024/2025

Purpose

To receive the Internal Auditor's Report in respect of compliance with relevant procedures and controls in operation during the financial year ended 31st March 2024 and to appoint an Internal Auditor for 2024/2025.

Roles and Responsibilities

The Council members as a whole are responsible for ensuring that the Council maintains proper accounting records together with an appropriate system of internal control along with responsibility for the preparation of annual accounts and the completion of the 'Local Councils in England – Annual Governance and Accountability Return'.

The Council is required to appoint an Internal Auditor who is independent of the Council's Governance and Financial arrangements.

The internal auditor is responsible for reporting to the Council on the adequacy of the systems of internal control.

Scope of Audit and Reporting Requirements

In carrying out the internal audit, the auditor will have full regard to the guidance on Internal Audit set out in "Governance and Accountability for Smaller Authorities in England – A Practitioners' Guide to Proper Practices to be applied in the preparation of statutory annual accounts and governance statements" (March 2023) published by the Joint Panel on Accountability & Governance. Section 4 sets out "Non-statutory guidance for internal audit at smaller authorities".

The Internal Auditor:-

- provides the Council with a written report of findings upon completion of the audit; and
- completes and signs the Internal Audit Section of the Annual Governance and Accountability Return.

Audit Timetable

Unless specifically required by the Council at any other stage during the financial year, the internal audit will commence after the end of year accounts have been

finalised by the Responsible Financial Officer and prior to the meetings of Corporate Governance Sub-Committee and Policy & Resources Committee in June which will consider the Annual Governance Statement and Accounting Statements alongside the Internal Audit Report.

Appointment of Internal Auditor

The Town Council has used the Leicestershire and Rutland Association of Local Councils (LRALC) Internal Audit Service since 2017/18 which, for a fee, provides any member Council with a continually trained and developed, competent, independent, and indemnified Internal Auditor.

Having received the Internal Audit for 2022/23, the Council agreed on 29th June 2023 (minute 6142) *“that the Leicestershire and Rutland Association of Local Councils Internal Audit Service be appointed to undertake the Town Council’s Internal Audit for the Year Ending 31st March 2024”*. The fee, based on our electorate of 12,451, is £495.

Internal Audit for 2023/2024

The person appointed by LRALC to undertake Braunstone Town Council’s Internal Audit for the year ended 31st March 2024 is Hannah Shaw.

The Internal Audit was undertaken remotely during April and May and the Internal Auditor conducted a meeting with the Chief Executive & Town Clerk on Wednesday 8th May 2024. A copy of the Internal Audit Report is attached at Appendix 1.

The Internal Auditor has completed the appropriate section of the Annual Governance and Accountability Return, which is attached at Appendix 2.

The Responsible Financial Officer has reviewed its recommendations, and in consultation with the Council’s Management Team, has drafted a response to the Internal Auditor’s Recommendations, which is attached at Appendix 3.

Recommendations from Internal Audit 2022/2023

Two recommendations were made by the Internal Auditor in 2023 and the Action Plan was approved by Corporate Governance Sub-Committee, Policy & Resources Committee and Council in June 2023. All actions in the Action Plan were considered/implemented. The updated Financial Regulations were approved by the Annual Council meeting on 9th May 2024 (Council Minute 6221).

Arrangements for 2025/2026 Internal Audit

This is the seventh year that the Council has used the Internal Audit service provided through Leicestershire and Rutland Association of Local Councils. Given the service is both competent and represents value for money; it is recommended that the Council appoint Leicestershire and Rutland Association of Local Councils to be the Council’s Internal Auditor for 2025/26.

Recommendations

(THAT IT BE RECOMMENDED TO POLICY & RESOURCES COMMITTEE)
THAT IT BE RECOMMENDED TO COUNCIL

1. that the Internal Audit Report (attached at Appendix 1 of the report) and assessment of the internal control objectives (attached at Appendix 2 of the report) be received and noted;
2. that the recommendations for improvement, along with the proposed response, as set out in the Internal Audit Improvement Action Plan (attached at Appendix 3 of the report), be adopted; and
3. that the Leicestershire and Rutland Association of Local Councils Internal Audit Service be appointed to undertake the Town Council's Internal Audit for the Year Ending 31st March 2024.

Reasons

1. The Internal Auditor, having tested all the aspects of the Council's internal controls:
 - i. noted that in respect of Internal Control Objective D, the level of general reserves at the end of the 2023/2024 financial year was insufficient and did not meet the guidelines laid out in the JPAG Practitioners' Guide 2024 paragraphs 5.31 to 5.39; and
 - ii. was satisfied that in all significant respects all other Internal Control Objectives were achieved throughout the financial year to a standard adequate to meet the Council's needs.
2. To ensure that the observations of the Internal Audit would be addressed with appropriate and balanced measures.
3. To ensure arrangements were in place for compliance with Accounts and Audit Regulations.

Internal Audit Report

(to be read in conjunction with the Annual Internal Audit Report in the Annual Governance and Accountability Return)

Name of council:	Braunstone Town Council		
Name of Internal Auditor:	Hannah Shaw	Date of report:	13.05.24
Year ending:	31 March 2024	Date audit carried out:	08.05.24

Internal audit is the periodic independent review of a council's internal controls resulting in an assurance report designed to improve the effectiveness and efficiency of the activities and operating procedures under the council's control. Managing the council's internal controls should be a day-to-day function of the council through its staff and management and not left for internal audit. It would be incorrect to view internal audit as the detailed inspection of all records and transactions of a council in order to detect error or fraud. This report is based on the evidence made available to me and consequently the report is limited to those matters set out below.

The proper practices referred to in Accounts and Audit Regulations are set out in JPAG Practitioners Guide. It is a guide to the accounting practices to be followed by local councils and it sets out the appropriate standard of financial reporting to be followed.

The council is required to take appropriate action on all matters raised in reports from internal and external audit and to respond to matters brought to its attention by internal and external audit. Failure to take appropriate action may lead to a qualified audit opinion.

To the Chairman of the Council:

Overview and Observations

In accordance with the terms of my engagement, I undertook a review of Braunstone Town Council's accounts, records, policies and procedures for the financial year ending 31st March 2024, following which I completed and signed the Annual Internal Audit Report, of the Annual Governance and Accountability Return 2023/24 Form 3.

Through an in-person meeting with the Chief Executive and Town Clerk, Darren Tilley and by inspection of information publicly accessible via the Council's website and documentation sent to me by email, I was able to review aspects of the Council's systems including payroll, bank reconciliations, risk management, Council owned assets, budgetary control and the Exercise of Public Rights.

Braunstone Town Council has 21 seats (quorum 7) and employs 25 members of staff across 16 separate roles. There are three committees, one advisory panel and a sub-committee, all guided by a comprehensive Scheme of Delegation which is published to the Council website and was last reviewed and re-adopted in 2019. Councillor Declaration of Interests are also published to the Council website.

The Council banks with the Co-op and payments are made by online bank transfer or by direct debit. Four members of staff have access to the online banking; however, payment authorisation is only required by one Officer. Councillors authorise financial statements at Council meetings and bank reconciliations are approved and signed quarterly. All financial statements are published to the Council's website and total payments and bank balances are included within. I recommend

Braunstone Town Council consider a banking facility which offers two-person authorisation before payments are made. However, the controls currently in place to protect the Council from financial risk are adequate and are outlined within the Council's Financial Regulations and Corporate Risk Management plan. Additionally, the Council have an array of very comprehensive policies in place on a four-year rolling review program and the level of Governance would be considered at a high level.

The Council uses Edge accounting software and the Resources and Facilities Manager records all expenditure on an Income and Expenditure accounting basis. The Council hold the General Power of Competence and this is evidenced within Council minutes following the elections in May 2023. VAT is reclaimed quarterly and is up-to-date. The Council also holds a petty cash fund of £250, as well as two other smaller floats for the library and office. During a transaction spot check, I was presented with supporting invoices of expenditure and bank statements for all transactions selected and the accounts appear to be kept in good order.

Payroll is managed by the Resources and Facilities Manager using Sage software and the Council are registered with the Pensions Regulator, however, no evidence of compliance was available for me to view.

The Council own and/or maintain a number of areas of land and buildings including the Civic Centre and Library, Thorpe Astley Community Centre, Shakespeare Park and Pavilion and Mossdale Meadows, all of which are now detailed with individual values on the Council's Fixed Asset Register following a recommendation made during last year's internal audit.

Braunstone Town Council has public and employer's liability insurance arranged through Gallagher and the current policy expires in November 2024. Separate insurance cover has been procured for the Council's two fleet vehicles, tractor and ride on mower. I recommend insurance certificates are published to the Council's website but believe the level of cover would be sufficient for the Council's needs.

All minutes of Town Council and committee meetings are available to view on the Council's website, are published within the required 28-day period and are marked as 'draft' prior to being approved and signed at the following meeting.

With regards to the Exercise of Public Rights, it is good practice to minute the dates upon approval at a Town Council meeting but there was no evidence of this for the 2023/2024 financial year. However, the notice had been published to the Council's website, correctly providing a period of 30 days.

Although I have seen evidence that budgetary controls are in place, Braunstone Town Council carried forward only £54,906 in reserves as at 31/03/24, of which £32,934 are earmarked for future projects, leaving only £21,972 in general reserves. Based on the Council's 2023/2024 expenditure, this equates to approximately 0.19 months running costs, which is critically below the expected range. As advised during the 2022/2023 internal audit and in line with the Council's own Reserves Policy and also guidance given within the JPAG Practitioners' Guide 2024 paragraphs 5.31 to 5.39, authorities with income and expenditure in excess of £200,000, should maintain a minimum level of general reserves at three months of net revenue expenditure and the maximum maintained, should not exceed twelve months of net revenue expenditure.

However, I am encouraged by the Council's Medium-Term Strategy and Financial Planning, which seems to address the current situation over a 5-year plan and projects general reserves reaching the equivalent of three months net expenditure, by the end of 2026.

Additionally, in accordance with the proper practices outlined in the JPAG Practitioners' Guide 2024, paragraphs 5.210 – 5.219, Braunstone Town Council, should give due consideration to migrating over to a .gov.uk domain for their website, including all Council email accounts. Specifically, paragraphs 5.210 to 5.212 state:

“5.210. All Parish, Town and Community Councils are eligible to use, and are advised to use, a .gov.uk domain for their websites and email communications. Your community, suppliers and partners will now reasonably expect a local council to have a .gov.uk domain name. Note that Parish meetings are exempt from the requirement to have a website.

5.211. To assist with compliance with the General Data Protection Regulations (GDPR), it is advised that clerks provide official .gov.uk email accounts to their councillors, which must only be used for official council business.

5.212. When choosing a domain name all councils must follow the rules set out by the Cabinet Office to choose a .gov.uk domain name, for example, ‘ourparishcouncil.gov.uk’ with email addresses linked to that domain.”

The Government Cabinet Office has secured funding to help councils with the initial cost of setting up a .gov.uk domain. This is a discount of £100 + VAT which is applied at the point of purchase by those Approved Registrars taking part in the Parish Council Domains Helper Service. This funding is limited to helping a maximum of 1,000 councils with their move to a .gov.uk domain and is offered on a first-come first-served basis. Current funding will run until March 2025.

Summary

The report and findings are based on the information that was made available during the course of the audit. I am satisfied there are adequate internal control measures in place to protect the Town Council from financial risk, however, any possible risks associated the current low level of general reserves, need careful consideration.

To the best of my knowledge, all accounts and bank balances appear to be in order and accurate based on the information to hand, however, this internal audit does not involve the detailed inspection of all records and transactions of the Town Council in order to detect error or fraud. With many thanks to, Darren Tilley, Chief Executive and Town Clerk, for preparing the necessary documentation for the purpose of this internal audit.

BRAUNSTONE TOWN COUNCIL

CORPORATE GOVERNANCE SUB-COMMITTEE – 13th JUNE 2024 POLICY & RESOURCES COMMITTEE – 13th JUNE 2024

Item 8 – Annual Governance Statement 2023/2024

Purpose

To ensure sound systems of internal control, including the management of risk and the preparation of accounting statements during the financial year ended 31st March 2023 and to recommend to Council adoption of the Annual Governance Statement 2023/2024.

Background

Under the Regulations it is the Council as a whole that is responsible in law for ensuring that financial management is adequate and effective and that the Council has a sound system of internal control which facilitates the effective exercise of functions and which includes arrangements for the management of risk. Under the regulations, all local councils are required to conduct a review at least once a year of the effectiveness of their system of internal control, in accordance with proper practices.

Annual Governance Statement

As part of the Annual Governance and Accountability Return, the Council has to demonstrate that it is compliant with the statements set out in Section 1, Annual Governance Statement:

- 1. We have put in place arrangements for effective financial management during the year, and for the preparation of the accounting statements.**

Prepared accounting statements in accordance with the Accounts and Audit Regulations.

- a) *Budgeting:*** the Council reviewed its Medium Term Priorities and Financial Planning arrangements at Policy & Resources Committee on 2nd November 2023 and at Council on 16th November 2023 ahead of each Standing Committee reviewing its priorities and objectives alongside its budget and capital plan requirements for 2024/2025 in December 2023 and January 2024.

The Council started the financial year with low balances, as identified in both the internal and external audits of 2023. The cash balances on 1st April 2023 were £214,440 in total; £140,610 was reserved funding (although not all was committed); leaving £73,830.

Each Standing Committee receives a report each cycle setting out income and expenditure to date against the budget.

Financial Monitoring during 2023 identified that utility bills were a major overspend area. The overspend on this at 31st December 2023 was £44,056. The Council's two year fixed rate on energy prices ended early in the financial year and the Council had budgeted for solar panels to be installed in March/April 2023. However, the installations were delayed by six months and are smaller scale due to fitting issues; therefore, the anticipated savings turned out to be less than budgeted. The solar panels were installed in September and October 2023 but due to timescales with setting up export tariffs, income would not arrive (although backdated) until 2024/2025 financial year. The Civic Centre also had its gas cookers condemned and new electric cookers were installed, due to the climate agenda. However, electricity costs are significantly higher than gas.

£10,213 was paid to Fuuse to manage and promote the Electric Vehicle Charging Points for a period of 3 years from July 2023. This payment is split in the accounts to July 2026; however, the cash was paid upfront. Income to 31st March 2024 was £6,039. However, with the delay in installing the solar panels, energy costs during the period are estimated to have been £4,676.

The NJC employers pay settlement for 2023/24 was implemented in November 2023 and worked out as a 6% increase overall for the Town Council's staff. The budget approved in January 2023 provided for a 4% increase. This left a deficit of £13,184 in the salary and pensions budget.

As a result, Policy & Resources Committee on 11th January 2024 received:

- 1) a summary of the Council's Cash, Reserves and Financial Comparisons for the period 1st April 2023 to 31st December 2023 in order to consider actions to ensure the Council would have sufficient cash and reserves to function (Policy & Resources Committee minute 69, 2023/2024); and
- 2) revised five-year budget estimates in order to make recommendations to Council on the budget and precept for 2024/2025 (Policy & Resources Committee minute 72, 2023/2024).

The Policy & Resources Committee agreed to:

- a) request the balance of commuted sums from the District Council for the maintenance of Thorpe Astley Park;
- b) request a short-term loan/advance of the 2024/2025 precept payment;
- c) make an application to the bank for an overdraft facility;
- d) make changes to how cash is managed in the bank accounts; and
- e) review the Council's Financial Position as the first item on every Policy & Resources Committee agenda.

The Council on 25th January 2024 approved the Business Plan, Capital Plan and budget when setting the precept for 2024/2025. The budget included £79,000 to return to balances and a plan to achieve balances equal to one-quarter of net expenditure by 2026.

The Council also resolved to request borrowing approval from the Secretary of State for a short-term loan at the end of the financial year, should one be needed.

The Council was able to meet all its commitments up to the end of the financial year due to minimising expenditure and maximising income since and also with Blaby District Council advancing the balance of the Thorpe Astley Commuted Sums.

Prior to the commencement of a Capital Plan project, Policy & Resources Committee receives a financial appraisal, including grant funding options, use of revenue budgets and details of reserves. For larger more complex Capital Plan projects, Policy & Resources Committee receives an update report at each meeting during the project and a final report on spending at the meeting following the completion of the project.

- b) **Accounting Records and Supporting Documents:** The Council uses Finance and Facilities Management Software packages provided by Edge IT, which record all transactions and provide tracking and reporting of overdue invoices/receipts and orders/payments.

Income received is totalled daily on summary sheets. Invoices for payment are processed at least once a week. Operational expenditure transactions are authorised by two account signatories and each Standing Committee receives a list of all expenditure transactions since the previous report.

The Responsible Financial Officer undertakes quarterly checks on the accounting records and supporting documents and ensures corrective action is taken where necessary.

- c) **Bank Reconciliation:** for the General Operating Account and Payroll Account is undertaken monthly and for the investment account is undertaken quarterly. The Finance System lists transactions to be reconciled and both the reconciliation report and bank statement are signed by the officer reconciling the account, usually the Deputy Responsible Financial Officer, and counter signed by the Responsible Financial Officer.

Policy & Resources Committee receive a summary of the reconciled amounts, cash and reserves following the end of each quarter.

- d) **Investments:** The Council maintains a high interest, short term 90 day notice investment account with a UK Building Society, Cambridge, which contains reserves and surplus monies. The Council also maintains an instant access savings account where income from the precept needed to pay future salary commitments is held alongside large sums, such as a loan, received for a capital project where part of the amount is not immediately due for payment.

The Council reviews and approves its annual Treasury Management and Investment Strategy in November each year when considering its Medium Term Priorities and Financial Planning arrangements.

- e) **Statement of Accounts:** at the end of the financial year, the Responsible Financial Officer closes down the accounts and ensures that the income and expenditure transactions balance with the sums held in the bank accounts.

A summary of the headline figures is reported to Policy & Resources Committee (25th April 2024). Arrangements are made for the Internal Audit to take place in May (8th). Following the Internal Audit, the accounting statements are submitted:

- Corporate Governance Sub-Committee, 13th June 2024 (item 9);
- Policy & Resources Committee, 13th June 2024 (item 9); and
- will be submitted to Full Council on 27th June 2024 (the deadline date for determining the Accounting Statements is 30th June).

For the purpose of the Regulations, Braunstone Town Council is currently classed as a smaller authority (as defined by the Local Audit and Accountability Act 2014) whose gross annual income or expenditure is higher than £25,000 and less than £6.5 million. Accordingly, it is audited under the limited assurance review.

- f) **Reserves:** Policy & Resources Committee receive a summary of the cash and reserves following the end of each quarter. Policy & Resources Committee in October and Council in November reviews the position with both earmarked and non-earmarked reserves as part of its Medium Term Priorities and Financial Planning arrangements ahead of each Standing Committee reviewing its priorities and objectives alongside its budget and capital plan requirements for the following financial year.

Loss of funding, transfer of services, the Covid-19 pandemic and subsequent economic pressures resulted in the Council using £117,000 from its reserves between 2018 and 2023 to offset significant increases in the Council Tax precept in one year; while each subsequent year it delayed replenishing the reserves.

As a result, the Internal Audit report of 2023, contained the following:

Reserves; the current guidance regarding the general reserve held is set out in The Practitioners' Guide (2023) paras 5.32 - 5.36. For authorities with income and expenditure in excess of £200,000 the generally accepted recommendation with regard to the appropriate minimum level of general reserve is 3 months of net revenue expenditure. In discussion with Darren, we concluded that for the audit year 2022-23, that would suggest approximately £180,000 but the actual figure was considerably lower and less than 50% of the guideline figure. Whilst the Practitioners' Guide is just that ie guidance and whilst the calculation of reserves is not an exact science, it is appropriate and prudent that the council reviews its

current position against the guidance to confirm or if necessary amend its plan in respect of the sums held.

The External Audit of 2023 also highlighted the position with the Council's Reserves:

Reserves are considered to be low and could pose a risk to the Town Council's ability to function in the future. The Council has provided explanations for this and assurances that it is considered in their budgetary procedure, and we have reviewed your Medium Term Priorities and Financial Planning document. The 2023 budget was for a small surplus but returned a more significant deficit which raises concerns in respect of the veracity of the budgeted future years figures which each provide for a small surplus. We would anticipate that following this outturn the Council will be reviewing its financial position and its future budgets.

The Council started the financial year with low balances, as identified in both the internal and external audits of 2023. The cash balances on 1st April 2023 were £214,440 in total; £140,610 was earmarked reserves (although £29,060 of this was uncommitted); leaving £73,830 general fund balances.

At the end of the financial year, the authority held £54,906 on the balance sheet; £32,934 in earmarked reserves and £21,972 in general fund balances.

The Council reviewed its earmarked reserves as part of reviewing the Medium-Term Priorities and Financial Planning in November 2023 and March 2024.

The original projected increase of 10.97%, which had been identified in the Medium Term Financial Planning Report of 16th November 2023, would have increased the precept by £85,140.

However, the Council had to dip into its reserves to meet a higher than anticipated NJC pay settlement (£13,184) and increased costs due to inflation, particularly utility costs (£41,138). This was compounded by delays with the installation of solar panels and the scaling back of the proposed installations due to fitting issues. As a result, the Council had to meet higher utility costs for longer while the projected annual savings and income was lower.

In order to replenish reserves and address critically low cash balances, the Council on 25th January 2024 approved a net precept requirement of £981,884 for 2024/2025, an increase of £205,849. The percentage increase on the precept was 26.59% (26.53% increase to the 2023/2024 base budget). The approved budget including the following:

- a) £50,000 to cover a predicted cash deficit and a further £29,000 to replenish half the balance of funds used from the Council's savings account;

- b) £13,184 to fill the gap in salary and pensions base budget; and
- c) £28,525 to account for higher utility costs and lower projects savings from a smaller solar installation.

Given the year commenced with low reserves and that expenditure pressures during year resulted in the position becoming critical, following the setting of the precept in January 2024, the Council resolved to update its Medium Term Priorities and Financial Planning in March 2024. As part of this process, the Council reviewed and adopted a revised Reserves Policy detailing arrangements for Monitoring, Managing and Maintaining the Council's Reserves (along with the principles, previously adopted).

The Council also adopted a plan to replenish reserves by 2026, which included a review of Earmarked Reserves to maximise the level of funds to replenish the revenue (general fund) reserve by only earmarking reserves which are either a commitment or a restricted use.

Policy & Resources Committee also review the position with reserves as part of the financial appraisal for large Capital Projects.

2. We maintained an adequate system of internal control, including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness.

Made proper arrangements and accepted responsibility for safeguarding public money and resources.

- a) **Standing Orders and Financial Regulations:** The Council's systems of internal controls are set out in the Standing Orders and Financial Regulations. The Council reviews its Standing Orders and Financial Regulations on an annual basis and modifications were approved at Annual Council on 18th May 2023 to both the Standing Orders and Financial Regulations.

Section 11 of the Financial Regulations set out:

- delegated spending limits of officers and Standing Committees;
- a requirement to seek at least three competitive tenders for items over £5,000 and below £25,000; and
- the requirement to follow the procedures set out in the Public Contracts Regulations 2015 for all expenditure of £25,000 and over.

- b) **Safe and Efficient Arrangements to Safeguard Public Money:** An official order is issued for all work, goods and services except where there is a formal contract. Orders are issued following receipt of a signed requisition request, which must be counter signed by a manager. Upon receipt of an invoice, the officer who issued the order will check to ensure the goods or service has been received. Payment is authorised by two members of the Council or one member of the Council and the Chief Executive & Town Clerk (where he did not issue the order).

Invoices are issued in accordance with contracts and terms and conditions. Payment is requested within 30 days. Where payment is not received, then a reminder invoice is sent. If payment remains outstanding after 30 days, a final demand is raised. After this, the provisions of the contract, relevant terms and conditions are applied.

All monies received are paid into the bank, usually weekly; the origin of each receipt is entered on the paying-in slip.

The Financial Regulations provide for Policy & Resources Committee to approve banking arrangements, including account signatories, arrangements for the use of corporate credit cards and regular direct debit and standing order payments. These are reviewed annually by Corporate Governance Sub-Committee in June. The Financial Regulations also set out the maximum limit on credit card purchases and require that the balance is fully paid each month.

The Responsible Financial Officer and Deputy Responsible Financial Officer have undertaken Finance training provided through the National Association of Local Councils. The Responsible Financial Officer provides financial responsibilities training for all Councillors. New Councillors have also received financial responsibilities training through the National Association of Local Councils.

The Financial Regulations are reviewed annually by Policy & Resources Committee and Council. The internal control procedures are reviewed annually by Corporate Governance Sub-Committee.

An assessment of financial risks is attached at Appendix 1; proposed amendments are highlighted in **bold text**.

- c) **Employment:** Employment Contracts, establishment posts and pay scales are approved by the Policy & Resources Committee. Transfer of monies into the payroll account is authorised by two members of the Council. Payment of salaries and expenses are authorised by the Responsible Financial Officer. The Council has a contract with a Human Resources Company for advice on detailed employment and contractual matters. The Council is a member of the Local Government Pension Scheme and fully complies with the requirements to auto-enrol employees into the pensions scheme.
- d) **VAT:** The Financial Management System records VAT paid and received and produces reports for the Responsible Financial Officer who is responsible for submitting an accurate and timely VAT Return. All VAT Returns were submitted on time. The Responsible Financial Officer and Deputy Responsible Financial Officer have undertaken VAT Training provided through the National Association of Local Councils.

For larger projects, contracts and for new initiatives where there are VAT implications, the authority employs the advice of a professional VAT consultant. For example, when issuing the Licence to Occupy the Shakespeare Park Sports Pavilion to a Management Association made up of the Sports Clubs and the Council.

- e) **Fixed Assets and Equipment:** are regularly inspected in accordance with the regulations and the inspection regime set out in the Health & Safety Policy and associated Risk Assessments.

A full list of the Council's assets, including details of those purchased and disposed of during the financial year, are included with the annual accounting statements (which is the next item on the agenda).

Real property (interests in land) can only be disposed with the approval of the Policy & Resources Committee. Any other assets can be disposed by the Chief Executive & Town Clerk where the value is £1,000 or less; or the relevant Standing Committee where the value exceeds £1,000.

- f) **Loans and Long Term Liabilities:** the Council drew down two loans (against a single borrowing approval) during the financial year 2023/2024 towards the cost of the installation of carbon reduction initiatives:

- solar PV panels;
- air source heat pump; and
- electric vehicle charging points.

A full financial appraisal of the project was considered and approved by Policy & Resources Committee (3rd November 2022) and Council (17th November 2022).

The Council continued to repay capital and interest on existing Public Works Loans, in accordance with the respective loan's repayment requirements, for which provision is made in the annual budget.

The Council assesses the funds needed for future capital and interest repayments on its loans through the annual Medium Term Priorities and Financial Planning process in November.

In January 2024, Policy & Resources Committee and Council reviewed the financial position and agreed actions to ensure the Council would have sufficient cash and reserves to function. This included approaching the District Council to obtain a short-term loan/advance of the 2024/2025 precept and an overdraft at the bank. In the event that sums were borrowed in the 2023/2024 financial year but repaid in the 2024/2025 financial year, borrowing approval is required from the Secretary of State.

Council on 25th January 2024 resolved to request borrowing approval from the Secretary of State for a short-term loan at the end of the financial year, should one be needed.

However, the Council was able to meet all its commitments up to the end of the financial year without the need to obtain a loan or overdraft.

- g) **Review of Effectiveness:** an Internal Audit was undertaken by a competent and independent person on 8th May 2024, which will be considered by the Corporate Governance Sub-Committee and Policy & Resources Committee, prior to consideration of this report, in order that recommendations can be made to Council on compliance with the provisions set out in the Annual Governance Statement.

3. We took all reasonable steps to assure ourselves that there are no matters of actual or potential non-compliance with laws, regulations and proper practices that could have a significant financial effect on the ability of the Council to conduct its business or manage its finances.

Only done what the Council has the legal power to do and has complied with proper practices in doing so.

- a) **Acting within powers:** the relevant legal powers for all the Council's activities are listed in the annual Budget, Precept and future estimates report and appendices, which is considered by Policy & Resources Committee in January each year and subsequently approved by Full Council.

The Town Council has an annual agreement with North West Leicestershire legal for the provision of a range of legal advice and services. The Council is also a member of the Leicestershire and Rutland Association of Local Councils and National Association of Local Councils, which are able to provide advice on the powers and duties of Local Councils.

Advice was sought from the Leicestershire and Rutland Association of Local Councils, National Association of Local Councils and directly from the Department of Levelling Up, Housing and Communities in respect of the legislation in relation to short-term borrowing to meet expenditure in one financial year, using revenue from the following financial year.

When exercising legal powers, the relevant Standing Committee and the Council receive a report with the agenda setting out the context for the decision it is being asked to take, along with recommendations and supporting reasons. The Council's Proper Officer or the Deputy Proper Officer attend Council and Standing Committee meetings to provide legal, financial and policy advice on the matters for determination.

The Council reviews its Standing Orders, Financial Regulations and Scheme of Delegation annually to ensure that its procedures comply with relevant statutes and that decisions are made within the authority at an appropriate level.

- b) **General Power of Competence:** Following elections on 4th May 2023, Braunstone Town Council determined on 18th May 2023, that it met the eligibility criteria in paragraph 2 of the schedule to The Parish Councils (General Power of Competence) (Prescribed Conditions) Order 2012. SI 2012 No. 965 and was an eligible local council for the purpose of completing any activity undertaken in exercise of the General Power of Competence.

Where the General Power of Competence is to be used legal advice is sought (see paragraph a above) and the details are set out in the report of the Chief Executive & Town Clerk to Standing Committee / Council as appropriate. Using the General Power of Competence, the Town Council manages and operates the Braunstone Town Library service and offers a Grant Scheme for individuals.

- c) **Regulations and Proper Practices:** The Chief Executive & Town Clerk reports to the relevant Standing Committee when regulations require a change to policy, duties and responsibilities, service structure, or requires resources. The Town Council is a member of the Leicestershire & Rutland Association of Local Councils/National Association of Local Councils and has direct access to legal advice. In addition, the Town Council sources legal advice and support from North West Leicestershire Legal, employment advice and support from Personnel Advice & Solutions Ltd and subscribes to services and advice from the Local Government Association. The Chief Executive & Town Clerk is a member of the Society of Local Council Clerks who also provide legal support and advice.

Annual reviews are undertaken of the Standing Orders, Financial Regulations, Scheme of Delegation and Councillor Code of Conduct to ensure compliance. Council policies are reviewed at least every Council Term or as a result of legislative changes.

An annual audit and detailed review of proper practices is undertaken by the Corporate Governance Sub-Committee in June, who directly report to Policy & Resources Committee and full Council.

- d) **Actions during the year:** the Chief Executive & Town Clerk as the principle legal advisor (or the Deputy Chief Executive & Community Services Manager), attends all decision making Committees and Full Council; where decisions are required a report/supporting material is issued in advance with the agenda and recommendations included. All decisions (including those taken under delegated authority) are recorded.

There were no instances during the year when the authority exceeded its powers or contravened any laws, regulations or proper practices.

4. **We provided proper opportunity during the year for the exercise of electors' rights in accordance with the requirements of the Accounts and Audit Regulations.**

During the year gave all persons interested the opportunity to inspect and ask questions about the authority's accounts.

a) **Exercise of public rights:** for the Year Ended 31st March 2023, in accordance with Sections 26 and 27 of the Local Audit and Accountability Act 2014 and Part 5 of the Accounts & Audit Regulations 2015, the Council published on Thursday 30th June 2023:

- Sections 1 and 2 of the Annual Governance and Accountability Return;
- a declaration that the status of the statement of accounts was 'unaudited'; and
- a statement that set out details of how the public rights could be exercised, which commenced on Monday 3rd July 2023 until Friday 11th August 2023.

b) **External Auditor's Review:** The External Audit was completed on 14th August 2023. A notice was published to electors on 21st August 2023, in accordance with Regulation 16 of the Accounts and Audit Regulations 2015, of the conclusion of the audit and the right of electors to inspect the Annual Governance and Accountability Return and review the findings of the external audit.

5. **We carried out an assessment of the risks facing the Council and took appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required.**

Considered and documented financial and other risks and have dealt with them properly.

a) **Identifying and assessing risks:** The Council identifies, assesses and records risks that could have financial and reputational consequences. The corporate risks are attached at Appendix 1; proposed amendments are highlighted in **bold text**.

Given the critically low level of cash balances and reserves, during the financial year, the risk assessment attached at Appendix 1 has been updated to include revised arrangements for both banking and budgeting and includes a new "Risk to Services and the ability of the Council to function due to level of Cash Balances and Reserves".

The Council reviewed and adopted, following consultation, a revised Health & Safety Policy & Procedure, which took effect on Monday 11th September 2023.

The revisions considered legislative changes since 2018 and changes to the Town Council's services and operations. The main areas of change in the revised policy and procedure are the incorporation of:

- (a) Employee Induction Health & Safety Training;
- (b) Job Roles and Responsibilities;
- (c) Mental Health;
- (d) Homeworking;
- (e) Prevention of Terrorism; and
- (f) Pregnant Workers and New Mothers.

During the year, the Health & Safety Consultative Group undertook a review of the Emergency Health and Safety Information for persons in charge of a function/event at Braunstone Civic Centre and Thorpe Astley Community Centre.

During the financial year 2023/2024, the Health & Safety Consultative Group commissioned and adopted new operational service and activity risk assessments:

- Library
- Mossdale Meadows Cycle Path, including new link to Meridian Leisure

In accordance with the Council's Health & Safety Policy & Procedure, the Council's Management Team and the Health & Safety Consultative Group also considered Accident Investigation Reports and the associated recommendations for four separate incidents. Two of the incidents are the subject of an ongoing public liability claim through the Council's insurers.

Fire Risk Assessments as required by Regulatory Reform (Fire Safety) Order 2005 were completed for Braunstone Civic Centre, Thorpe Astley Community Centre and Mossdale Meadows Depot and Sports Changing Rooms on 11th July 2022 by Vital, which also included a General Risk Assessment. Based on these reports, daily checks are carried out at the Council's facilities to ensure that escape routes are clear and the Fire Risk Assessment checklist is completed every three months.

Banking – Compensation Scheme – with effect from 31st December 2010 the Government Scheme offers full compensation up to £85,000 per saver or authorised institution. The Corporate Governance Sub-Committee reviewed the risks of holding over £85,000 in any one bank account in June 2021 and considered the risk of losing large sums was low given the Town Council only invested in UK Bank Accounts (Corporate Governance Sub-Committee minute 7, resolution and reason 1, 2021/2022).

- b) **Addressing risks:** A review was undertaken of the Council's Insurance Policy and Assets Register in October when the Policy was due for renewal. As part of the renewal of insurance in 2022, the Council's buildings (Braunstone Civic Centre, Thorpe Astley Community Centre and Mossdale Pavilion and workshop) were revalued to ensure that the

insurance value was sufficient for rebuild. The new Shakespeare Park Pavilion was valued in July 2021 upon practical completion. The revised valuations have been included in the insurance policy and have been included under the "Insurance Value" column of the Fixed Assets List, which forms part of the Accounting Statements (see next item on the agenda).

During June 2023 ROSPA undertook the annual inspections of all Braunstone Town Council play areas including play areas, Multi Sports areas, teenage areas and the skate park area. The inspections included reports on fencing, litter bins, safety surfaces and play equipment with priorities for work marked low, medium or high.

Three high priority items were noted at three of the Town Council's areas as follows:

- Mossdale Meadows Skate Park surface transition points uneven
- Thorpe Astley Gym – overhead bars – decayed timber
- Holmfield Park Swing – bolts loose (tightened and secure on receipt of the report).

A number of medium priority areas were highlighted in the reports with the majority of these items marked as a low risk factor.

Policy & Resources Committee considered these items at its meeting on 15th June 2023 and agreed that the remaining high priority items be addressed immediately and a work programme for the medium priority items with a risk factor of 9 should be undertaken during the summer; with medium priority items with a risk factor of 8 and below being included in the Winter Works Programme 2023/2024.

On 15th June 2023, Corporate Governance Sub-Committee reviewed the Council's systems of internal control, including the management of risk, in order to determine whether there were sound systems of internal control and management of risk.

A list of the Town Council's fixed assets was revised and updated during 2023/2024 to include:

- Lighting columns, CCTV and signage on the new Cycle / Pedestrian path through Mossdale Meadows from Kingsway to Meridian Leisure;
- equipment installed in the Café Kitchen at Braunstone Civic Centre;
- Changing Places Toilet;
- Solar panels at Braunstone Civic Centre, Thorpe Astley Community Centre and Braunstone Town Library;
- Air Source Heat Pump at Thorpe Astley Community Centre;
- Electric Vehicle Charging Points at Braunstone Civic Centre and Thorpe Astley Community Centre;
- two new notice boards;
- the refurbishment of Shakespeare Park Play Area.

During the review, the Insurance Policy was updated to include new items purchased following the previous review. The Town Council's insurance policy covers the following risks:-

Public Liability	up to £10m any one claim
Employers Liability	up to £10m any one claim (£5m from Terrorism)
Money	Premises during working hours/in safe: £1,000; Out of safe/in transit, £1,000.
Fidelity Guarantee	£500,000
Legal Defence	£100,000
Officials Liability	£500,000

Business Interruption Gross Rentals	£120,972
Additional Cost of Working	£10,000
(Maximum Indemnity Period:- 12 months)	

6. We maintained throughout the year an adequate and effective system of internal audit of the accounting records and control systems.

Arranged for a competent person, independent of the financial controls and procedures, to give an objective view on whether internal controls meet the needs of the Council.

An Internal Audit was undertaken Hannah Shaw, through the Leicestershire & Rutland Association of Local Councils' Internal Audit Services on 8th May 2023, which will be considered by the Council's Corporate Governance Sub-Committee, Policy & Resources Committee and Council on the agenda prior to this item to ensure compliance with the provisions set out in the Annual Governance Statement.

Internal Audit had access to all the end of year financial reports and associated records and the Council's policies, strategies, agendas and minutes. The Responsible Financial Officer was available to assist the Internal Auditor in his work.

7. We took appropriate action on all matters raised in reports from internal and external audit.

Responded to matters brought to the Council's attention by internal and external audit.

The overall opinion of the Internal Audit in 2022/2023 was that "*the council continues to exhibit consistently high standards of governance and accountability that are well above average*".

Two recommendations were made by the Internal Auditor in 2023 (Land & Buildings and Reserves) and the Action Plan was approved by Corporate Governance Sub-Committee, Policy & Resources Committee and Council in June 2023.

The External Audit was completed on 14th August 2023 and while no matters were raised concerning the Town Council's accounts and governance arrangements for the year ended 31st March 2023; the external auditor noted the following *"We draw your attention to the following points. Reserves are considered to be low and could pose a risk to the Town Council's ability to function in the future. The Council has provided explanations for this and assurances that it is considered in their budgetary procedure, and we have reviewed your Medium Term Priorities and Financial Planning document. The 2023 budget was for a small surplus but returned a more significant deficit which raises concerns in respect of the veracity of the budgeted future years figures which each provide for a small surplus. We would anticipate that following this outturn the Council will be reviewing its financial position and its future budgets"*. The outcome of the External Audit was reported to Policy & Resources Committee on 3rd November 2022.

The internal audit recommendation relating to Land and buildings with a commercial value; that Land and buildings should be detailed on the Asset Register with a commercial value, was actioned during the year and the Asset Register updated accordingly.

The internal audit recommendation relating to the general reserve that the Council review its current position against the guidance to confirm or if necessary amend its plan in respect of the sums held and the observation of the external auditor that the Council review its financial position and its future budgets was carried out as part of the review of the budget and precept setting in January 2024 and the review of the Council's Medium Term Priorities and Financial Planning in March 2024.

On 25th January 2024, the Council approved a precept which included £79,000 to be reinvested to replenish reserves during 2024/2025. On 21st March 2024, Council approved a plan to replenish its general fund reserve to the equivalent of 3 months of net revenue expenditure by 2026 as recommended in The Practitioners' Guide, paragraphs 5.32 - 5.36. The five-year projections table in the Medium Term Priorities and Financial Planning Report has been updated to include a section on the level of reserves held and the percentage of general fund revenue reserve compared to net revenue expenditure.

In addition, the Medium Term Priorities and Financial Planning Report of March 2024 included a revised and updated Reserves Policy, which was adopted by the Council. The revised Reserves Policy details arrangements for Monitoring, Managing and Maintaining the Council's Reserves. It also includes a requirement to consider proposals to replenish the general fund reserved when levels fall below the recommended equivalent of 3 months of net revenue expenditure.

As part of the annual review of the Financial Regulations, Annual Council on 9th May 2024 approved the inclusion of the following in the Financial Regulations: *"Any proposal to utilise reserves to balance revenue spending will be made in accordance with the provisions contained in the Council's*

Reserves Policy. The Council will maintain revenue reserves of at least one-quarter of net expenditure. Where revenue reserves fall below this level, proposals will be made to replenish them in accordance with the Reserves Policy” (Council Minute 6221).

8. We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on the Council and, where appropriate have included them in the accounting statements.

Disclosed everything the Council should have about its business activity during the year, including events taking place after the year-end if relevant.

The Council started the financial year with low balances, as identified in both the internal and external audits of 2023.

Financial Monitoring during 2023 identified that utility bills were a major overspend area. The pro-rata overspend against the budget at 31st December 2023 was £44,056.

As a result, Policy & Resources Committee on 11th January 2024 received:

- 1) a summary of the Council's Cash, Reserves and Financial Comparisons for the period 1st April 2023 to 31st December 2023 in order to consider actions to ensure the Council would have sufficient cash and reserves to function (Policy & Resources Committee minute 69, 2023/2024); and
- 2) revised five-year budget estimates in order to make recommendations to Council on the budget and precept for 2024/2025 (Policy & Resources Committee minute 72, 2023/2024).

When setting the budget and precept on 25th January 2024, the Council approved the inclusion of £79,000 to return to balances and a plan to achieve balances equal to one-quarter of net expenditure by 2026. The Council also resolved to request borrowing approval from the Secretary of State for a short-term loan at the end of the financial year. This was not needed since the Council was able to meet all its commitments up to the end of the financial year due to minimising expenditure and maximising income.

However, given at the end of the financial year, the authority held £27,897 in cash with access to £22,628; the Town Council did not have sufficient cash to meet its commitments prior to receipt of the first tranche of the precept on 26th April.

Therefore, taking into account cash at the bank, projected income and expenditure and allowing for a contingency, the Responsible Financial Officer applied to Blaby District Council to borrow £60,000 to meet commitments (including salaries) during April (approved by Policy & Resources Committee Minute 91 2023/2024). Interest was charged on this loan at 5.26%; which for the period 9th to 25th April was £146.99. The capital plus the interest was deducted by the District Council from the first precept payment of £490,942 on

26th April 2024. The Council had £15,311 in the operating account at the close of business on 25th April 2024.

No borrowing approval was needed from the Secretary of State for sums borrowed and repaid in the same financial year.

Given the critically low level of cash balances and reserves, Policy & Resources Committee approved the following actions to provide a contingency fund during 2024/2025:

- a) Public engagement concerning the financial position, proposals for one-off savings in 2024/2025 and ongoing savings.
- b) Approved £30,000 of one-off savings in 2024/2025; the aim being to provide a contingency fund given how low balances are. Delivering these items are delayed to the following financial year (2025/2026), although the money is in the base budget.
- c) Adjusted monthly employee pay date from 24th of the month to 28th month (except December) to ensure that salary payments in April and September each year can be met using the same year precept.

9. Trust funds including charitable – in our capacity as the sole managing trustee we have discharged our accountability responsibilities for the funds(s)/assets, including financial reporting and, if required, independent examination or audit.

Met all of our responsibilities where, as a body corporate, the Council is a sole managing trustee of a local trust or trusts.

Not Applicable. The Council is not a sole managing trustee of trust/charitable funds.

Recommendation

(THAT IT BE RECOMMENDED TO POLICY & RESOURCES COMMITTEE)

THAT IT BE RECOMMENDED TO COUNCIL that the systems of internal control and management of risk, as set out in the report and in the updated Corporate Risk Register at Appendix 1, be approved and confirmed as sound; and that Section 1, Annual Governance Statement 2023/24, of the Annual Governance and Accountability Return 2023/2024, attached at Appendix 2 of the report, be completed, signed and submitted accordingly.

Reason

Having reviewed the control measures for each of the areas listed on the Annual Governance Statement and also the assessment of risks facing the Council and associated mitigating measures, the Corporate Governance Sub-Committee were confident that to the best of their knowledge and belief, with respect to the Accounting Statements for the year ended 31st March 2024, there were sound systems of internal control and management of risk.

ENTER NAME OF AUTHORITY

our responsibility for ensuring that there is a sound system of internal control, including arrangements for the preparation of the Accounting Statements. We confirm, to the best of our knowledge and belief, with respect to the Accounting Statements for the year ended 31 March 2024, that:

	Agreed		'Yes' means that this authority:
	Yes	No*	
1. We have put in place arrangements for effective financial management during the year, and for the preparation of the accounting statements.			<i>prepared its accounting statements in accordance with the Accounts and Audit Regulations.</i>
2. We maintained an adequate system of internal control including measures designed to prevent and detect fraud and corruption and reviewed its effectiveness.			<i>made proper arrangements and accepted responsibility for safeguarding the public money and resources in its charge.</i>
3. We took all reasonable steps to assure ourselves that there are no matters of actual or potential non-compliance with laws, regulations and Proper Practices that could have a significant financial effect on the ability of this authority to conduct its business or manage its finances.			<i>has only done what it has the legal power to do and has complied with Proper Practices in doing so.</i>
4. We provided proper opportunity during the year for the exercise of electors' rights in accordance with the requirements of the Accounts and Audit Regulations.			<i>during the year gave all persons interested the opportunity to inspect and ask questions about this authority's accounts.</i>
5. We carried out an assessment of the risks facing this authority and took appropriate steps to manage those risks, including the introduction of internal controls and/or external insurance cover where required.			<i>considered and documented the financial and other risks it faces and dealt with them properly.</i>
6. We maintained throughout the year an adequate and effective system of internal audit of the accounting records and control systems.			<i>arranged for a competent person, independent of the financial controls and procedures, to give an objective view on whether internal controls meet the needs of this smaller authority.</i>
7. We took appropriate action on all matters raised in reports from internal and external audit.			<i>responded to matters brought to its attention by internal and external audit.</i>
8. We considered whether any litigation, liabilities or commitments, events or transactions, occurring either during or after the year-end, have a financial impact on this authority and, where appropriate, have included them in the accounting statements.			<i>disclosed everything it should have about its business activity during the year including events taking place after the year end if relevant.</i>

9. Total fixed assets and long term assets	£5,693,433.54
10. Total borrowings	£1,264,790.58

The following reports form part of the audited year end accounts:

- Consolidated Balance Sheet (Appendix 1)
- Income & Expenditure Account (Appendix 2)
- Financial Summary – Cashbook (Appendix 3)
- Reserves (Appendix 4)
- Financial Budget Comparison (Appendix 5)
- Schedule of Fixed Assets (Appendix 6)
- Details of Borrowing and Repayments (Appendix 7)
- Summary of VAT Returns and Reclaims (Appendix 8)

Section 2, Accounting statements 2023/24, of the Annual Governance and Accountability Return for the year ended 31st March 2024 is attached at Appendix 9.

Explanation of Variances

The external auditor requires full explanations, including numerical values, for variances compared to the previous year Statement of Accounts as follows:

- variances of more than 15% (except variances of less than £500); and
- variances of more than £100,000, even where this constitutes less than 15%.

Total Other Receipts: Cash Variance £120,335 (35.55%).

- 2022/2023 (£338,512): Capital Projects income included £114,257 in Loans and £46,555 in Grants. The Council drew down £21,500 in commuted sums held by the District Council for management of parks and open spaces. Therefore, operational Income totalled £156,200.
- 2023/2024 (£458,847): Capital Projects income included £195,987 in Loans and £48,546 in Grants. With agreement, the balance of the commuted sums held by the District Council for management of parks and open spaces, totalling £49,420 was received. Therefore, operational Income totalled £164,894.

All Other Payments: Cash Variance £204,816 (40.62%).

- 2022/2023 (£504,211): Capital Projects expenditure totalled £203,319. The Council spent £100,583 on Utilities and Services. Therefore, other Expenditure totalled £200,309.
- 2023/2024 (£709,027): Capital Projects expenditure totalled £350,492. The Council spent £144,144 on Utilities and Services (43% increase) due to the increase in energy prices and the end of the 3 year fixed deals on electricity. Therefore, other Expenditure totalled £214,391.

Balances Carried Forward: Cash Variance -£159,534 (74.40%). On 31st March 2023 the Council held £143,610 in earmarked/ringfenced reserves and £70,831 in the General Fund. During 2023/2024, four Capital Projects were delivered/completed; and the Council incurred extra utility costs of £43,561. Therefore, on 31st March 2024. the Council held £32,934 in earmarked/ringfenced reserves and £21,972 in the General Fund.

Total Cash and Short Term Investments: Cash Variance -£128,187 (81.28%). £110,196 in earmarked reserves held on 31st March 2023 were spent during the financial year to 31st March 2024 (leaving £47,515 general cash). Total operational income in 2023/2024 (including the precept) was £991,475; total operational expenditure was £1,045,797. Therefore, there was an overspend against operational budgets of £54,322 (£43,561 was on utilities and services).

Total Fixed Assets plus Other Long Term Investments and Assets: Cash Variance £264,206 (4.87%).

- As part of the refurbishment of Shakespeare Park play area, the Council disposed of £40,798 of equipment and purchased equipment at £46,347.
- The Council installed solar panels on its buildings, electric vehicle charging points at two car parks and an air source heat pump; totalling £194,624.
- The Council has adopted a new footpath/cycling link across its land, which was paid for by external funding, the value of the assets (street lighting, signage and

- CCTV) is £29,812.
- At Braunstone Civic Centre, a Changing Places toilet has been installed, the equipment is worth £20,660, and Cafe opened, the equipment for the kitchen is worth £9,768.
 - Two new notice boards have been installed totalling £3,792.

Total Borrowings: Cash Variance £144,263 (12.87%). in 2023/24 the Council drew down two new loans totalling £196,056 (£195,987 cash; £69 fees) towards the cost of carbon reduction initiatives. During the year £51,794 of capital repayments has been made on existing loans.

Internal Audit

A review of the annual accounts for the year ending 31st March 2024 was carried out by the Internal Auditor and they were found to have been prepared on the correct basis and were supported by adequate audit trails to underlying records.

The Internal Auditor has completed appropriate section of the Annual Governance and Accountability Return (see item 6 on the agenda, Appendix 2) and ticked “No” for internal control objective D *“The precept or rates requirement resulted from an adequate budgetary process; progress against the budget was regularly monitored and reserves were appropriate”*. The reason given by the Internal Auditor was *“The level of general reserves at the end of the 2023/2024 financial year was insufficient and did not meet the guidelines laid out in the JPAG Practitioners’ Guide 2024 paragraphs 5.31 to 5.39”*.

In response to whether the Council have addressed the comments from the internal audit 2022-2023; in respect of low reserves the Internal Auditor commented *“In progress – reserves are critically low; however, Council is currently addressing the issue as outlined in the Medium-Term Strategy and Financial Planning to replenish reserves by 2026. The precept has also been increased for the 2024/2025 financial year, alongside revenue savings”*.

External Audit

For the purpose of the Regulations, Braunstone Town Council is currently classed as a smaller authority (as defined by the Local Audit and Accountability Act 2014) whose gross annual income or expenditure is less than £6.5 million. Accordingly, it is audited under the intermediate level review.

For the intermediate level review, the External Auditor, Moore UK, requires additional documentation for 31st March 2024:

- Bank reconciliation summary;
- Explanation of any significant year on year variances;
- Reconciliation between Boxes 7 and 8 on the Accounting Statements;
- Breakdown of Reserves held;

which is attached at Appendix 10.

Other information being requested by the External Auditor, for the year ended 31st March 2024, includes:

a) Provide:

- i. A confirmation that the notice of completion of the prior year's audit was properly displayed; and
- ii. The location of the display(s); and
- iii. Provide evidence of its publication.

b) Provide:

- i. A confirmation that the internal auditor does not undertake tasks outside of their internal audit role, such as processing transactions or being involved in decision making, which may compromise their independence; and
- ii. An extract of the minutes showing appointment/re-appointment of the internal auditor.

c) Provide:

- i. Evidence of where issues raised within internal and external audit reports received during the period (1 April 2023 to 31 March 2024) have been considered by the Council; and
- ii. An extract of the minutes where revised procedures have been adopted during this period;
- iii. Copies of agreed action plans to implement recommendations

No matters relating to the accounts were raised by the External Auditor last year (2022/2023) to address; which was reported to Policy & Resources Committee on 7th September 2023 (Policy & Resources Committee Minute 35, 2023/2024).

The External Auditor made the following observations as part of the 2022/2023 audit:

- *“There is a trivial rounding error in this year's column when summed. When rounding the numbers for the Return care should be taken to ensure the Return sums correctly”.*
- *“Reserves are considered to be low and could pose a risk to the Town Council's ability to function in the future. The Council has provided explanations for this and assurances that it is considered in their budgetary procedure, and we have reviewed your Medium Term Priorities and Financial Planning document. The 2023 budget was for a small surplus but returned a more significant deficit which raises concerns in respect of the veracity of the budgeted future years figures which each provide for a small surplus. We would anticipate that following this outturn the Council will be reviewing its financial position and its future budgets”.*

Exercise of Public Rights

By law, any interested person has the right to inspect the accounting records of a local council. A local government elector in the parish is able to ask questions about the accounts and object to them. For the year ended 31 March 2024, the documents will be available on reasonable notice by contacting the Council's Customer Services Team between from Monday 1st July 2024 and Friday 9th August 2024.

Recommendations

(THAT IT BE RECOMMENDED TO POLICY & RESOURCES COMMITTEE)

THAT IT BE RECOMMENDED TO COUNCIL:

1. that Section 2, Accounting statements 2023/24, of the Annual Governance and Accountability Return for the year ended 31st March 2024, attached at Appendix 9 of the report, be completed, signed and submitted accordingly; and
2. that it be noted that the Exercise of Public Rights would be undertaken from 1st July 2024 until Friday 9th August 2024.

Reasons

1. The Corporate Governance Sub-Committee, having carried out an assessment of the effectiveness of the Council's financial arrangements, concluded that there were sound systems of internal control. The Internal Auditor, having reviewed the annual accounts, found the Accounting Statements to have been prepared on the correct basis and were supported by adequate audit trails to underlying records.
2. It was good practice to minute the dates of the Exercise of Public Rights upon approval of the Accounting Statements by the Council.

Difference			<u><u>0</u></u>

Explanation of difference (if applicable):

Column B - Reserves should be renamed to show the specific purpose / name given by this authority.

Column D - Earmarked items - a value for the amount earmarked for each specific reserve should be entered. There maybe fewer than 5 reserves or more and the number can be reduced or extended as appropriate.

Column D - Ring-fenced items - a value for the amount restricted (ring-fenced) for each specific reserve should be entered. There maybe fewer than 5 reserves or more and the number can be reduced or extended as appropriate.

Column D - General reserves - this should relate to normal operating funds and should be the difference between the total of all Earmarked reserves and Restricted (ring-fenced) reserves, and the value of Box 7 on Section 2 of the AGAR.

BRAUNSTONE TOWN COUNCIL

CORPORATE GOVERNANCE SUB-COMMITTEE – 13th JUNE 2024

Item 10 – Automatic Payments (Direct Debit, Standing Order and BACS)

Purpose

To receive details of current direct debit, standing order and BACS payments for review and endorsement in accordance with Financial Regulations 6.6 to 6.8.

Variable Direct Debit Payments

Financial Regulation 6.6 requires that the approval of the use of a variable direct debit shall be renewed by resolution at least every year. A list of the current suppliers paid by variable direct debit is attached at Appendix 1.

Suppliers highlighted red are proposed for cancellation.

Standing Order Payments

Financial Regulation 6.7 requires that the approval of the use of a banker's standing order shall be renewed by resolution at least every year. There is one supplier paid by use of a banker's standing order, as detailed in the table below:

Supplier	Service	Frequency	Amount
Personnel Advice & Solutions	Personnel Services	Monthly	£120.00

BACS/CHAPS Payments

Financial Regulation 6.8 requires that the approval of the use of BACS or CHAPS shall be renewed by resolution at least every year. A list of the current suppliers paid by BACS/CHAPS is attached at Appendix 2.

Suppliers highlighted red are proposed for cancellation.

Recommendations

1. That for the list of suppliers paid by variable direct debit, attached at Appendix 1 of the report, those listed in black text be renewed and those listed in red text be cancelled;
2. that the supplier paid by use of a banker's standing order, as detailed in the table under Standing Order Payments in the report, be renewed; and
3. that for the list of suppliers paid by BACS/CHAPS, attached at Appendix 2 of the report, those listed in black text be renewed and those listed in red text be cancelled.

Reasons

1. To ensure that authorisations for variable direct debit payments are reviewed.
2. To ensure that authorisations for standing order payments are reviewed.
3. To ensure that authorisations for BACS/CHAPS payments are reviewed.
